

OACYC Committees

Each OACYC committee is chaired by an active Board Member from the OACYC Board of Directors. Committees are comprised of two board members, current OACYC members and non-members. If you have an interest in contributing to the work being conducted to advance the field of Child and Youth Care in Ontario, please contact one of the Committee Chairs below to get started!

Chronicle Committee

The Chronicle Committee is responsible for coordinating the development and distribution of the quarterly newsletter - to educate and celebrate the CYC field. Fun fact: The Chronicle is one of the only consistently distributed provincial newsletters across Canada!

Student Amplifiers Committee

The Student Amplifiers Committee is unique to our province. This committee is comprised of current CYC students across the province who help connect/keep connected CYC students in College and University programs. Amplifiers have been integral to the success of past conferences!

The OACYC is committed to providing persons with disabilities the same opportunity to access our goods and services and to benefit from those services, in the same place and in a similar way as other members. The OACYC welcomes and encourages interest from people with disabilities and will make every effort to accommodate their participation in OACYC related activities.
